Mission Statement

The Struthers City School District, in cooperation with family and community founded on tradition, recognizes our role as a catalyst for change to enhance student achievement and develop good character as we create appropriate academic, technological, and vocational opportunities for all students. .

Based on the needs of our students, we are dedicated to providing a diversified, integrated, and flexible curriculum that develops independent and responsible citizens capable of making critical decisions.

As the primary partner in providing educational leadership, we will create links with family, business, and community agencies to ensure the continuous improvement of teaching and learning.

Our District

The Struthers City School District is located in eastern Mahoning County.

The district consists of separate elementary, middle and high schools, all built or renovated since 2000, under the Ohio School Facilities Commission, and one preschool. In 2010, the community passed a 6.9 renewal operating levy which generated $1,058,057.

Current labor agreements with the Struthers Education Association and OAPSE Local 261 are effective through June, 2014. Struthers Board of Education Members:
